

So?

What do you think?
Interested in getting more information? Serving for a season? Donate services, hardware, software, or time to learn something new?

We currently have two technology teams, **Operations** and **Productions**.

Operations

The Operations team works exclusively with the day-to-day operations of MNC. This includes troubleshooting, software configuration, installations, web development, data administration and procedural documentation. You can reach the Operations team at:

operations@metronorthpca.org

Productions

The Productions team works primarily with the Audio/Visual elements for Sunday worship and other scheduled events that require Audio/Visual support. This includes lighting, soundboard, mixing, recording, PowerPoint, Easyworship, and interaction with the worship team. You can reach the productions team at:

productions@metronorthpca.org

More Information?

The best way to get more information is by going online to our webpage (see below). We have a variety of resources and opportunities online that would not serve an informational brochure that is static (constantly changing).

Technology Ministry

*Leading the flock in worship,
edification, and evangelism*

Technology is Ministry?

Yes! Technology is neither good nor bad, it all depends on what is being glorified by the activity right?

The Metro North Technology Ministry has found a way to bridge the gap between skills and glorifying God as so many others already have.

We are looking for faithful, accountable, teachable servants who desire to glorify God on a regular and consistent basis putting to use the skills and abilities that you're already using and have learned or have a desire to learn.

How?

Ministry Purpose

We see three purposes for the technical arts ministry. Being on the technical arts team is a covenantal ministry. By that, we mean that we make certain that in every way possible that we coordinate, rather than compete with the family and home life of the members of Metro North Church.

- To lead the flock into the proper worship of the living God.
- To lead the flock into edifying ways (i.e. the building up of itself in

love, Ephesians 4:16).

- To lead the flock into evangelistic outreach. Simply, anything that does not enable the flock to worship God better, to be edified and to edify one another, and to evangelize the lost, must be eliminated.

Vision

Why do we encourage MNC members to serve on the Technical Arts Team?

According to Scripture, serving in the local church is important for at least three reasons.

1. We serve to fulfill a key purpose of our salvation. Paul writes that Jesus "gave himself for us to ... purify for himself a people for his own possession who are zealous for good works" (Titus 2:14). Serving with zeal advances the work of the gospel and completes the purpose for which we were saved.

2. We serve to express obedience to God and good stewardship of our gifts. Peter writes, "As each has received a gift, use it to serve one another, as good stewards of God's varied grace" (1 Pet 4:10). God has personally given to each of us gifts that allow us to serve one another. Investing these gifts to serve the church is both our joyful privilege and

God-given responsibility.

3. We serve in order to follow our Savior and demonstrate true greatness.

Jesus told his disciples, "Whoever would be great among you must be your servant, and whoever would be first among you must be slave of all. For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many" (Mark 10:45). This is the very heart of the gospel. Jesus' sacrifice on our behalf was the greatest demonstration of God-honoring service. When we serve others, we follow his footsteps, honor his gospel, and bear good fruit.

Our mission as a church is to build a community of gospel-centered people. A true mark of a life centered on the gospel is serving others for the glory of God. We invite you to join us as we participate together in the joy-filled adventure of serving one another through God's church. reasons.
